# Tools and Sewing Supplies

You will use standard quilting supplies in this class. No special templates or tools are needed.

- **HIGHLY RECOMMENDED -- SQUARE RULER**—16-1/2" X 16-1/2". If you have a larger square, you can still use it. You can mark off your 16-1/2" square with blue painters masking tape or other marking tape. You will see this demonstrated in the Fracturing Block modules.
- Long ruler—**at least 24"**
- Cutting mat at least 24" x 24"
- Rotary cutter with NEW SHARP BLADE. Please check your blade—you will be cutting multiple layers of fabric.
- Sewing Machine
- Recommended Feet for your machine: Quarter-inch foot or patchwork piecing foot. Otherwise I recommend a foot that you can see through so that you can easily monitor where the edge of your curve or seam is.
- Neutral color thread for piecing (your choice of color)
- Seam Ripper for those occasional mistakes
- A design wall approximately 60" x 60" —can be a piece of batting, white flannel or a flannel backed table cloth hung on a wall.
- Straight pins
- Iron (no special iron needed)
- Ironing surface with good padding. You need a firm surface to iron improvisational blocks because of the multiple layers of fabric. If you only have the thin ironing board cover, add a layer or two of quilt batting and cover it with a piece of neutral colored cotton fabric.
- **HIGHLY RECOMMENDED** Wool pressing mat made for quilters. These mats really help make your blocks flatter
- Spray starch or starch alternative such as Flatter™ or Best Press™

# Amount of Fabric Needed

In this Supply list, I've provided fabric requirements for making each of the quilts, the table runner or the place mats.

## FAT QUARTERS OR YARDAGE

I find that it is a more efficient use of fabric for this project to use 18" x 22" fat quarters for the prints and solids (or near solids) in the supply lists. I will demonstrate how I use leftover pieces to piece blocks and to make piece backings or add them to the border.

However, if you prefer to use yardage, then I suggest using half yards in various prints and solids. You can mix up as needed to get the amount of variety that you want.

**USING SCRAPS:** If you use scraps, you will need pieces that measure at least 12-1/2" square.

**QUESTIONS? Email me at [carole@lyles.net](mailto:carole@lyles.net)**

# Fabric Requirements

There are several quilt sizes and patterns for table runners and place mats in the pattern booklet. This supply list provides the amount of fabric needed for each project.

**Learning improvisational piecing involves experimentation and discovery.**

**I highly encourage you to ‘shop your stash’ for fabric to use to make a practice block or two. I also encourage you to shop your stash before buying fabric for your final project.**

**You may find more freedom to experiment with the techniques if you use your stash.**

## Quilt: 54" x 58"

Fabric	Amount Needed
Prints—4-6 different prints	One Fat Quarter of each print
Solids or near solids—4-5 different solid colors	One Fat Quarter of each solid color
Striped Fabric and/or a bold Geometric print	One Fat Quarter of each
Background Fabric	2-1/4 Yards
Backing	3-1/2 yards

## Quilt: 44" x 52"

This version makes a fast crib quilt.

Fabric	Amount Needed
Prints—4-5 different prints	One Fat Quarter for each print
Solids or near solids—4-5 different solid colors	One Fat Quarter for each solid color
Striped Fabric and/or a bold Geometric print	One Fat Quarter for each
Background Fabric	1-3/4 Yards
Backing	2-3/4 yards

# Large Quilt Layouts: Two Sizes with the Same Pieced Center

The layouts in the pattern are for two sizes of the same quilt: 60 x 60 OR 76 x 76. The 60 x 60 quilt has NO borders. The larger size, 76 x 76 has borders added. Fabric requirements for Background fabric and Backing are given for both size quilts.

Fabric – both quilts	Amount Needed
Prints—6-7 different prints (both quilt sizes)	One Fat Quarter of each print
Solids or near solids—5-7 different solid colors (both quilt sizes)	One Fat Quarter of each solid color
Striped Fabric and/or a bold Geometric print	One Fat Quarter of each
Background Fabric for 60" x 60" quilt	2-1/2 Yards
Background Fabric for 76" x 76" quilt	4-1/4 Yards
Backing – 60" x 60" quilt	3-1/2 Yards
Backing - 76" x 76" quilt	5 Yards

## Table Runner or 4 Place Mats

This is a GREAT project for using stash fat quarters left over from other projects. Table Runner and Place Mat blocks measure approximately 14 x 18 inches but may be adjusted to fit your home.

Fabric	Amount Needed
Prints—2-3 different prints	One Fat Quarter for each print
Solids or near solids—2-3 different solid colors	One Fat Quarter for each solid color
Striped Fabric and/or a bold Geometric print	One Fat Quarter for each
Background Fabric	1 yard
Backing	TBD depending on final measurements of your runner or mats.
