Pineapple Pillow/Mini Quilt Workshop

\$35.00 for Members, \$40.00 for all others

Skill Level: Comfortable with machine piecing and rotary cutting

Class Description: Using conventional piecing techniques, we will make these colorful pineapple blocks that can be made into a 20" x 20" pillow or a fun mini quilt. Departing from the pattern directions for fabric, we will mix and match to make 3 different, yet complimentary, pineapples. Bring your own fabrics or purchase a kit that will include a variety of the gorgeous new fabrics from designer Carrie Bloomston's collection, Dreamer.

Supplies: You will need to purchase the Pineapple Farm Quilt pattern (available at the workshop or in advance at The Modern Sewist) and have the fabric to make the pillow front [5/8 yd background fabric; 9 squares various fabrics size 9" x 10.5" for pineapple bodies; 1 fat eighth for pineapple leaves].

KIT: \$40 includes pattern, **all** fabric, batting for pillow front. It does not include the pillow form, optional muslin for the pillow lining or batting for pillow back (I chose not to make a quilted backside for my pillow).

Bring to the workshop:

- Sewing machine
- Fabric marking tool
- Small cutting mat, rotary cutter with a nice new sharp blade and ruler
- Small post-it notes and pen suggested for labeling pieces
