

AQS Paducah Quilt Show is just around the corner (April 22-25, 2020).

We have been fortunate over the years to use our 4 night standing reservation at a very nice hotel with arrival on Tuesday, departure checkout Saturday. The room has two queen beds, and a couch able to sleep two. Breakfast is served each morning and fresh baked cookies in the evening with Show and Tell. Amenities also include a pool and exercise room. Lobby is decorated with many beautiful quilts. A free bus service is provided by AQS, so to top off this great hotel and location, the bus stops at the front door. Several very nice restaurants are across the parking lot or a short walk away. We are unable to attend this time around and offer it to anyone interested. So if you and/or a few of your friends are interested in taking advantage of our reservation, please contact Randy Carman at Randyc10@aol.com for additional information. Room rate stated at our last Guild meeting was incorrect. Randy will give the correct information and answer any questions you might have.
